Intake Boarding / Train & Board

What to send with your dog during train/ boarding:

- All food and special treats for the time you are gone
- All medications for the time you are gone
- Harness(es), booties, coats, etc. that they typically wear outside
- A blanket or bed that smells like home
- A favorite toy or two

Pick-Up/Drop-Off

We recommend planning for your dog to join a Buddy morning socialization/ exercise group on the day you leave and then they will continue on to their boarding location after. This schedule allows your dog time to settle into their new routine while you are away. Dropping a dog off at a new place in the afternoon or evening can be stressful and unsettling for them. Please plan to drop-off your dog timely between 7-8am in the morning of the boarding.

The pick up can be at any time arranged. We recommend arranging the pick up time before your departure. We try to accommodate your schedule as much as possible. Or you can pay an additional fee to schedule a time for your dog to be dropped off at your house.

Pick-up/Drop-off fee inside our service area is \$30.
